Sir:

In reply to the Interview Summary, Paper No. 20090122, mailed January 28, 2009, Applicant respectfully submits this Statement of the Substance of Interview.

On January 22, 2009, Applicants' undersigned representative participated in a telephonic interview with Examiner Pryor, at which the Final Office Action mailed November 18, 2008, was discussed. Applicants' representative explained that Applicants believed the rejections under 35 U.S.C. 112 had previously been withdrawn. The Examiner recognized Applicants position and suggested the best course of action to address the issue would be to file for Pre-Appeal Review of the rejections. No final agreement as to the allowability of the claims was reached.

Applicants believe that no fees are required for consideration and entry of this paper. However, Applicants authorize the Director to charge any required fee to Deposit Account No. 04-1105.

Applicants' representative thanks Examiner Pryor for participating in the interview.

Respectfully submitted,
